

## Companies that Match Donations and/or Volunteer Hours

### Notes

1. If you do not see your employer on this list, please check this link to see if they offer a matching donation program.  
<http://www.matchinggifts.com/redcross/>
2. Some companies including Chevron and Applied Materials match donations to "Adopt A Classroom". You donate to your child's classroom and get an "Impact Report" on how the money was spent". Please check your employer's website
3. If you do not see your school listed on your employer's giving website, you can make a request to add. Name, Fed tax id #, address, email, phone and description are needed.
4. Consider donating in name of the school's PTA instead of the school. Funds are well documented and reports are available on how funds were allocated. PTA has a different tax id than the school and may need to be added to list of nonprofits on giving website.
